COMPANY OVERVIEW

Jiangxi Qisheng School Furniture Co., Ltd. stands as China's largest manufacturer of school furniture, combining 20 years of expertise in lean manufacturing with cutting-edge innovation. Our vertically integrated 62,000-square-meter Industry 4.0-enabled production campus empowers us to deliver premium educational and institutional furniture solutions worldwide.

Key Strengths:
- Product Range: School furniture, household study tables & chairs, apartment beds, conference furniture, and lab furniture across 100+ SKUs.
- Annual Capacity: 1 million sets, scalable to meet seasonal demand fluctuations.
- Speed & Precision: 15-day standard lead time (45% faster than industry average) with 100% on-time delivery commitment.
- Customization Expertise: Full OEM/ODM services supported by 62 engineers and 300+ skilled technicians. Rapid CAD/3D prototyping in 72 hours.
- Flexibility: Small order quantities accepted. Free samples provided upon request.

Driven by our mission to deliver high quality, rapid delivery, and exceptional service, we serve as a trusted partner for schools, institutions, and retailers worldwide. Contact us today to explore tailored solutions for your unique needs.
